PROFILE

Dynamic and motivated BSc in Computer Science and Engineering Student who is eager to apply my academic knowledge and technical skills in a practical setting and growth-oriented environment where I can contribute to innovative projects as an entry-level position and continue to develop my expertise in software development and problem-solving. My goal is to leverage my strong foundation in programming, data structure and system design to deliver impactful solutions.

EDUCATION

B.Sc. Computer Science & Engineering   2020 – 2025
Independent University,Bangladesh   Dhaka, Bangladesh

Higher Secondary Certificate (HSC)   2017 – 2019
Dhaka Imperial College   Dhaka, Bangladesh

Secondary School Certificate (SSC)   2015 – 2017
Gulshan Model School & College   Dhaka, Bangladesh

PROJECTS

Weather App in Java   05/2025
Developed a desktop application to fetch real-time weather data using the OpenWeatherMap API

Online Newspaper App with Flutter   09/2024 – present
Developer
- Developed and maintained the user interface and backend code for a cross-platform online newspaper app using Flutter. Implemented features such as real-time news updates

Software Simulation On Online Ticket Booking App with Java   03/2022 – 06/2022
Developer & UI Designer
- Led the development of a Java-based online ticket booking application, overseeing the entire software development lifecycle from requirements gathering to deployment.

Automated Medicine Detection By Using Robotics Arm   06/2023 – 09/2023
Research Paper Writer
- Co-authored a research paper on the development of an automated medicine detection system using a robotic arm. Contributed to the system's design and implementation

Personal Portfolio: A digital Showcase   06/2023 – 2023
Developer & Designer
- Designed and developed a responsive personal portfolio website from scratch using HTML and CSS. Implemented modern web design principles and ensured showcasing front-end development skills and project work.

SKILLS

- Java
- C++
- HTML
- CSS
- NetBeans
- Andriod Studio
- Cisco
- MS 365
- AWS
- Agile
